ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

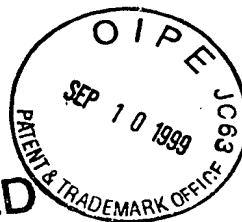

SIR:

This is to advise the examiner that the information disclosure statement filed September 09, 1999 bringing to the examiners attention the existence of a related application inadvertently included a certification that the information presented therein was not known to the undersigned more than three months prior to the filing of the information disclosure statement.

In fact, the undersigned had signed the information disclosure statement within the three month period. However, due to clerical problems, the information disclosure statement was not filed until more than a month after the date that the information disclosure statement was signed. Accordingly, the undersigned withdraws the certification identified in the information disclosure statement filed September 09, 1999.

Respectfully submitted,
